

CALL FOR PAPERS

**EUROSENSORS 2017
PARIS FRANCE SEPT. 3- 6**

WELCOME

EUROSENSORS 2017, the XXXI edition of the conference series, is coming in France for the third time after Toulouse 1994 and Lyon 2007. The conference will be held in PARIS from September 3 to 6, 2017.

Since 1987, EUROSENSORS Conferences have been a unique forum for scientists and engineers from academia, research institutes and industry to present their latest results in the field of Sensors, Actuators, Microsystems and Nanosystems.

EUROSENSORS 2017 will be hosted at UIC-P, Congress Center close to the Tour Eiffel, in the heart of the city. The conference will be also a nice feature to visit Paris, one of the most attractive towns with its cultural history.

The conference will be an excellent opportunity to promote your research and to exchange with the delegates coming from worldwide.

You are cordially invited to visit the conference website for updated information.

We are looking forward to seeing you at the **EUROSENSORS 2017** Conference in Paris.

Organizing committee

General chair: Prof. J.P. Viricelle, *CMC2/ Mines SE*

Program chair: Prof. C. Pijolat, *CMC2/ Mines SE*

Local scientific chair: Prof. H. Perrot, *UMPC*

Dr. E. Scorsone, *CEA Saclay*

Local organizing chair: Prof. G. Lissorgues, *ESIEE/ ESYCOM*

Publication chair: Dr. M. Rieu, *Mines SE*

Euroensors school chair: Dr. G. Mattana, *Paris Diderot*

TOPICS

1. Theory and modelling
2. Materials and micro- nano- technology, Microfabrication
3. Physical sensors and Actuators
4. Chemical sensors
5. Biological sensors, Microfluidic
6. Optical microsystems
7. Wireless Sensor Networks, RF MEMS.
8. Energy harvesting, Micro Power Generation
9. Embedded systems, Interface and Signal processing
10. Packaging and Assembly Technology
11. Special session I on Printed and flexible electronics
12. Special session II on Sensors for Factory of the future

Euroensors School will be focused on “Printed and flexible electronics”

Important dates

Abstract Submission Opening	March 6
Deadline Abstract Submission	April 7
Abstract Notification	June 2
Early-bird Registration End	June 16
Deadline Extended Abstract Submission and Covering Author Registration	June 30
Euroensors School	Sept. 3
Conference	Sept. 3-6
